Kevin J. Smith, Principal

September 27, 2011

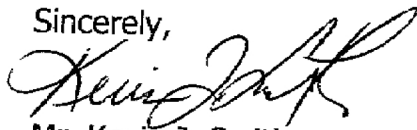

Dear Mr. Wilkes,

Thank you for taking the time to come to Benton Middle School on Monday, September 26, 2011 and provide for our students a World-Class presentation as Omega Man. As always, our school's main purpose is to educate our children and to provide a safe learning environment for this to occur. After meeting with you and observing your presentation, I am further convinced that our resolution of having you and your company perform at our assembly was the best possible choice.

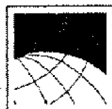

I really appreciate that you took so much time out of your busy schedule to demonstrate and motivate all 1300 of my students with your message of Choice and Consequence; not only now but for the future. I feel that we have all learned a great deal from this matter and I certainly will continue to spread the good news of your work with my fellow colleagues.

Once again thank you for your time and professionalism in your performance and your interaction with the students and staff of Benton Middle School.

Sincerely,

Mr. Kevin J. Smith
Principal
